Product Overview

Asoni is pleased to introduce CAM6124FIR, HD1080P IP camera, it equips CMOS sensor provides premium image quality and 30 frames per second in 1920x1080 resolution, and 20 meters IR LED brings high quality video in day and night.

Asoni CAM6124FIR is ideal for your house, retail stores and office. Furthermore, you can monitor the live video with free APP "Wecam_p2p" with DVR via smart phone on the road.

Features

- ▶ CMOS Sensor
- ▶ Resolution up to 1920x1080 @30FPS
- ▶ Embedded ICR and IR LED for day & night 24-hours surveillance
- ▶ IR LED radiant distance up to 20 meters
- ▶ Shutter Speed adjustment

Hardware

Image Sensor	CMOS Sensor
Signal System	PAL/ NTSC
Sensitivity	Color: 0.08 Lux (AGC ON) B / W: 0.00 Lux (AGC ON)
Lens Type	3.6mm @ F2.1
View Angle	89° (H), 46° (V)
ICR	Mechanism IR cut Filter
Video Output	YES
PowerConsumption	DC 12V Max: 1.5W(IR OFF) Max: 3.2W (IR ON)
Dimensions	Φ93 x 79.3 mm
Operating Temp.	-10°C ~ +50°C
LEDs	24 units, 850nm
IR Distance	20Meters

System

Video Resolution	1920X1080@30fps 1920X1080@25fps
OSD Menu	Optional
Shutter Time	1-1/50000
Synchronization	Internal
